

Dear Neighbor,

Our pharmacy, AmiCare Pharmacy, is now providing a free one year supply of multiple vitamins for all children in the community.

We have launched this initiative because families are busier than ever and well-planned, nutritious meals are often neglected. A nutritious diet is more important than ever in avoiding disease but healthy eating isn't always possible. A vitamin supplement may be beneficial.

The line of vitamins included in this offer is limited to our AmiCare brand children's chewable vitamins. They will receive a one month supply, which can be refilled monthly free of charge.

If you believe as much as we do that this wonderful offer would be of benefit to your children, please come to our pharmacy to start their regimen.

Thank you for taking the time to consider this.

Sincerely,

Leon Galehouse
Chief Pharmacist
